dignity for all: the campaign for a poverty-free canada

We believe that freedom from poverty is a human right. We believe in equality among all people. We believe that everyone is entitled to social and economic security. We believe in dignity for all. NOW is the time to end poverty in Canada.

The Dignity for All Campaign calls for vigorous and sustained action by the federal government to combat the structural causes of poverty in Canada.

- We want a federal plan for poverty elimination that complements provincial and territorial plans.
- We want a federal anti-poverty Act that ensures enduring federal commitment and accountability for results.
- And, we want sufficient federal investment in social security for all Canadians.

Together, we can eliminate poverty in Canada!
