

Session Registration Form

For us to ensure that as many delegates as possible can attend the session of their choice, we would ask you to pre-select the sessions that you would like to attend. This will enable us to put bigger sessions in our larger rooms. As space is limited, seats will be allocated on a first come – first served basis. Early registration for sessions will ensure that you can attend the session of your choice. Please indicate your first and second choice for each session.
